Campus Assessment Working Group

Introduction

Thank you for sharing your thoughts on this year's University of Maryland Student Survey about your experience this semester at UMD. This survey is administered by the Campus Assessment Working Group. Summarized responses will be used to better understand students' experiences at UMD, to inform decision-makers, and to help plan for and provide better services to students.

In accordance with University policy, your responses are confidential. The survey will collect your Directory ID and UID, which will be used to link to campus data, but no personally identifiable information will be released without your consent. Individual responses are never reported.

The survey takes about 5-10 minutes to complete. Optimal viewing is on a laptop, though the survey can be taken on a phone or tablet.

Thank you for your time and input! If you have any questions, please email cawg@umd.edu.
